Dr. Mary Ann Shallcross Smith
President

Therapeutic Child Care Services

This new service developed by the Rhode Island Department of Human Services (DHS) provides specialized services for children and youth with special needs. This gives children and youth the opportunity to learn, play and socialize with their friends.

Therapeutic Child Care Services (TCCS) supports children with special needs in a mainstream setting. Through an inclusive integrated environment, TCCS offers services by a specially trained staff that meets the needs of all children.

Who is Eligible?

- Medicaid eligible children who have special needs.
- Special needs include physical, developmental, behavioral, and emotional.
- Infant, toddler, preschool and school age children
- Referred by a CEDARR Family Center

Where can Therapeutic Child Care Services Be Located?

- Your child care center
- Your school age program
- Your summer camp
