Educational Curriculum Calendar Guide

The first day of each month the KWL (K-Know, W-Want to know, L-Learned) Chart is created. This assesses the students' knowledge on the monthly idea and is updated throughout the month.

Two exploration days are planned each month to explore the students' interests based on discussion of the KWL Chart.

The third Wednesday of this month is dedicated to anti-bullying activities, using the Teaching Tolerance curriculum.

The last Friday of this month will incorporate a STEAM (Science, Technology, Engineering, Art & Math) activity.
